## **Eurodoc Conference 2023 - A Sustainable Academia**

The Eurodoc conference is an annual conference focusing on the conditions of early career researchers (ECRs), particularly doctoral candidates. The conference will be held in a hybrid form on June 7-8, 2023, with the physical events taking place in Uppsala, Sweden.

The conference will consist of a mix of panel sessions and keynote speakers.

- Dealing with precarity: Employment conditions of post-docs
- A sustainable academia
- The assessment of the academic career – a key to Open Science
- Eurodoc Session on the Sustainability of Ukrainian Academia in (Post)War Times
- A timely and relevant doctoral education
- Equal opportunities in the academic career
- Academic freedom – a prerequisite for a sustainable future
- A sustainable academic psychosocial work environment
